

BOOK A TEMP TERMS & CONDITIONS

ENQUIRIES

Although our consultants will endeavour to provide the staff you require, **enquiries do not guarantee bookings.**

2 HOUR TURNAROUND

The 2 hour turnaround does not equate to booking.

The turnaround period refers to how quickly our consultants will respond to an enquiry.

In most cases our consultants will be in contact prior to the 2 hours.

The turnaround period applies only to Storm Recruitment's regular hours of business:

9am - 5pm Monday to Thursday, 9am - 4pm Friday

The turnaround period does not include evenings, weekends, bank holidays, or other dates / times throughout the year that our offices are closed.

MINIMUM BOOKINGS

Storm Recruitment requires a **minimum booking of 2 working days per temporary staff.**

NOTICE

It is preferable to provide Storm Recruitment with as much notice as possible when seeking temporary staff.

We would ask for a minimum of one day's notice, but would appreciate more if possible.

BANK HOLIDAYS

Bank holidays are not included in the bill rate. Temps will be billed for the bank holiday and / or pro rata if they have worked 40 hours up to and including the bank holiday, as per the organisation of working time Act 1997. The temp rate, if not working on the bank holiday will be billed at standard rate unless otherwise stated.

If a temp works on a bank holiday, it is billed at double time.
